1. WHO WE ARE

Risk Care Financial Services provides financial services as a corporate representative of Australia Pacific Funds Management [AFSL 339151]. This allows our advisers to offer a unique approach based on service and advice enabling us to act in the client's best interests at all times.

This FSG is given to you by your adviser with the authority of Australia Pacific Funds Management. When a member of our team provides financial services to you, they will be acting for you on behalf of Australia Pacific Funds Management.

You may specify how you would like to give us instructions. For example by telephone, email, fax or other means. But in all cases we must receive a written confirmation of these instructions.

3. HOW WE ARE PAID

Initial & On-going Commissions and Fees

The initial commission for investment type financial products can range between 0.5% and up to 1.5% of funds under management, while on-going commissions may range between 0.55% and up to 1.65%. For example, for an investment of \$10,000 in a managed investment paying 0.8% initial commission and 1.1% on-going commission, the upfront commission would be \$80 and the on-going commission \$110 per year.

The upfront commission for risk insurance financial products can range between 75% and 130% of the annual premium depending on the product provider, while on-going commission may range between 10% and 33%. For example, on an insurance premium of \$1,000 paying 130% initial commission and 13% on-going commission, the upfront commission would be \$1,300 and the on-going commission \$130 per year.

Or

Fee for Service

We may charge a fee for our service in conjunction with, or instead of, commission. The fee may range between \$350 to \$5,500, depending on the advice you have sought and whether we receive a commission. We may rebate to you part or all of the commission we would otherwise receive. You may also be charged a Statement of Advice (SoA) preparation or implementation fee. This can range between \$350 and \$1,500 (inclusive of GST) depending on the complexity and the time spent. Any fee for service must be paid within seven (7) days of the date of the tax invoice being issued to you.

Further details about commissions and or other benefits your adviser receives for recommending investments will be available to you when specific recommendations are made in the Statement of Advice or Record of Advice.

4. PRIVACY

We will need to find out your individual objectives, financial situation and needs before we recommend any financial product to you. You have the right not to divulge this information to us, if you do not wish to do so. In that case, we are required to warn you about the possible consequences of us not having your full personal information. You should read the warnings carefully.

We are committed to protecting and maintaining the privacy, accuracy and security of the personal and financial information you give us. Keeping this information private is very important to us. If you want to access your personal information, please let your adviser know.

Australia Pacific Funds Management is required, pursuant to the Anti-Money Laundering and Counter Terrorism Financing Act [AML/CTF] and its corresponding

rules and regulations, to implement certain customer identification processes. We may be required to obtain information about you at the time of providing financial services to you and from time to time thereafter in order to meet our obligations. We have certain reporting obligations pursuant to the AML/CTF Act and information obtained from or about you may be provided to external third parties and regulators in accordance with the requirements imposed on us.

6. OTHER MATTERS YOU MIGHT WANT TO KNOW

We will also provide you with an SoA whenever we provide you with any advice which takes into account your objectives, financial situations and or needs. The SoA will contain the advice, the basis on which it is given and information about fees, commissions and associations which may have influenced the provision of the advice.

If we give you further advice, or when no financial product is recommended, a Record of Advice (RoA) may be provided to you instead of an SoA. You can request a copy of the RoA by contacting us (if you have not previously received a copy) within 7 years of that further advice being given.

In the event we make a recommendation to acquire a particular financial product (other than securities) or offer to issue or arrange the issue of a financial product, we must also provide you with a Product Disclosure Statement containing information about the particular product which will enable you to make an informed decision in relation to the acquisition of that product.

We hold professional indemnity insurance cover for the activities conducted under our AFS licence which we believe satisfies the requirements of the Corporations Act.
